V3

Ah, how blindly did we stray  
Ere shone forth this glorious sun  
Seeking each our separate way  
Leaving heaven, unsought, unwon  
All our looks were earthward bent  
All our strength on earth was spent (to C, then V4)

V4

But the glory of the Lord  
Rises upon us today  
We have seen the light outpoured  
That must surely drive away  
All things that to night belong  
All the sad earth's woes and wrong (to C, then B)
